### PARTY HALLS WE RECOMMEND

**Memory Lane**  
CATERING HALL

Memory Lane is the former *Mandalay Catering Hall* that was a long standing institution on the north shore for many years. Recently it was purchased by *The Alzheimer's Foundation of Staten Island*. It is now their new headquarters where they run their operations. *The Alzheimer's Foundation* does a tremendous amount of wonderful work for people that are afflicted with this devastating disease. The hall is rented by the foundation and all the money collected by them goes to providing services for the families and victims of this terrible disease.

**Bario's Caterers** is the exclusive caterers of *Memory Lane*. We donate a significant portion of the proceeds back to *The Alzheimer's Foundation* for their operations. In order to book a party or check on the availability of a date please call the foundation at (718) 448-8032. The food needs to be ordered from us one week prior to your event. The hall holds up to 175 people comfortably with a dance floor. There is also a smaller room downstairs that holds up to 50 guests. There is plenty of parking available for your guests. The menu choices for *Memory Lane* are available on our web site at [www.bariosonline.com](http://www.bariosonline.com). At *Memory Lane* you can always be assured a great affair run by great people where you get great food from **Bario's!**

All proceeds to benefit *The Alzheimer's Foundation of Staten Island*.
